According to OSHA Hazard Communication Standard, 29 CFR 1910.1200

Initial preparation date: 01.18.2018 Page 1 of 7

# **Polyethylene Glycol**

# **SECTION 1: Identification**

**Product identifier** 

**Product name:** Polyethylene Glycol

**Product code:** PG0200

# Recommended use of the product and restriction on use

Relevant identified uses: Laboratory Chemicals

**Uses advised against:** Not determined or not applicable.

**Reasons why uses advised against:** Not determined or not applicable.

#### Manufacturer or supplier details

Manufacturer: United States

AquaPhoenix Scientific, Inc. 860 Gitts Run Road Hanover, PA 17331 1-717-632-1291

# **Emergency telephone number:**

United States ChemTel Inc

Chem rei inc

+1(800)255-3924

+1(813)248-0585

#### **SECTION 2: Hazard(s) identification**

GHS classification: Not a hazardous substance or mixture

**Label elements** 

Hazard pictograms: None

Signal word: None

Hazard statements: None

Precautionary statements: None

Hazards not otherwise classified: None

# SECTION 3: Composition/information on ingredients

| Identification         | Name                | Weight % |
|------------------------|---------------------|----------|
| CAS number: 25322-68-3 | Polyethylene Glycol | 100      |

Additional Information: None

# **SECTION 4: First aid measures**

## **Description of first aid measures**

**General notes:** 

Not determined or not applicable.

After inhalation:

According to OSHA Hazard Communication Standard, 29 CFR 1910.1200

Initial preparation date: 01.18.2018 Page 2 of 7

## **Polyethylene Glycol**

Loosen clothing as necessary and position individual in a comfortable position Maintain an unobstructed airway

#### After skin contact:

Rinse affected area with soap and water

If symptoms develop or persist, seek medical attention

#### After eye contact:

Rinse/flush exposed eye(s) gently using water for 15-20 minutes

If symptoms develop or persist, seek medical attention

# After swallowing:

Rinse mouth thoroughly

Seek medical attention if irritation, discomfort, or vomiting persists

## Most important symptoms and effects, both acute and delayed

## Acute symptoms and effects:

Not determined or not applicable.

## **Delayed symptoms and effects:**

Not determined or not applicable.

# Immediate medical attention and special treatment

#### **Specific treatment:**

Not determined or not applicable.

#### Notes for the doctor:

Not determined or not applicable.

## **SECTION 5: Firefighting measures**

# **Extinguishing media**

#### Suitable extinguishing media:

Use appropriate fire suppression agents for adjacent combustible materials or sources of ignition

# Unsuitable extinguishing media:

Do not use water as an extinguisher

## Specific hazards during fire-fighting:

Thermal decomposition can lead to release of irritating gases and vapors

#### Special protective equipment for firefighters:

Wear protective eye wear, gloves and clothing

Refer to Section 8

#### Special precautions:

Avoid inhaling gases, fumes, dust, mist, vapor and aerosols

Avoid contact with skin, eyes and clothing

### **SECTION 6: Accidental release measures**

#### Personal precautions, protective equipment and emergency procedures:

Ensure adequate ventilation

Ensure air handling systems are operational

Wear protective eye wear, gloves and clothing

# **Environmental precautions:**

Should not be released into the environment

Prevent from reaching drains, sewer or waterway

#### Methods and material for containment and cleaning up:

According to OSHA Hazard Communication Standard, 29 CFR 1910.1200

Initial preparation date: 01.18.2018 Page 3 of 7

## **Polyethylene Glycol**

Wear protective eye wear, gloves and clothing

#### Reference to other sections:

Not determined or not applicable.

## SECTION 7: Handling and storage

#### Precautions for safe handling:

Do not eat, drink, smoke or use personal products when handling chemical substances.

Avoid breathing mist or vapor.

#### Conditions for safe storage, including any incompatibilities:

Store in a cool, well-ventilated area.

#### SECTION 8: Exposure controls/personal protection

Only those substances with limit values have been included below.

#### **Occupational Exposure limit values:**

| Country (Legal Basis) | Substance           | Identifier | Permissible concentration       |
|-----------------------|---------------------|------------|---------------------------------|
| WEEL                  | Polyethylene Glycol | 25322-68-3 | WEEL TWA 10.0 mg/m <sup>3</sup> |

# **Biological limit values:**

No biological exposure limits noted for the ingredient(s).

#### Information on monitoring procedures:

Not determined or not applicable.

#### Appropriate engineering controls:

Emergency eye wash fountains and safety showers should be available in the immediate vicinity of use or handling.

#### **Personal protection equipment**

## Eye and face protection:

Safety goggles or glasses, or appropriate eye protection.

#### Skin and body protection:

Select glove material impermeable and resistant to the substance.

#### **Respiratory protection:**

When necessary, use NIOSH-approved breathing equipment.

#### **General hygienic measures:**

Wash hands before breaks and at the end of work.

Avoid contact with skin, eyes and clothing.

#### SECTION 9: Physical and chemical properties

## Information on basic physical and chemical properties

| Appearance                   | Clear, viscous liquid |
|------------------------------|-----------------------|
| Odor                         | Not available         |
| Odor threshold               | Not available         |
| рН                           | Not available         |
| Melting point/freezing point | 4°- 8° C              |
| Initial boiling point/range  | Not available         |
| Flash point (closed cup)     | Not available         |
| Evaporation rate             | Not available         |

According to OSHA Hazard Communication Standard, 29 CFR 1910.1200

Initial preparation date: 01.18.2018 Page 4 of 7

| Kinematic viscosity                     | Not available                    |
| Explosive properties                    | Not available                    |
| Oxidizing properties                    | Not available                    |

#### Other information

# SECTION 10: Stability and reactivity

#### **Reactivity:**

Does not react under normal conditions of use and storage.

## **Chemical stability:**

Stable under normal conditions of use and storage.

# Possibility of hazardous reactions:

None under normal conditions of use and storage.

#### **Conditions to avoid:**

None known.

#### **Incompatible materials:**

Strong oxidizers.

#### Hazardous decomposition products:

None known.

# **SECTION 11: Toxicological information**

# **Acute toxicity**

**Assessment:** Based on available data, the classification criteria are not met.

Product data: No data available.

**Substance data:** 

| Name                | Route | Result                 |
|---------------------|-------|------------------------|
| Polyethylene Glycol | oral  | LD50 Rat: >2,000 mg/kg |

#### Skin corrosion/irritation

**Assessment:** Based on available data, the classification criteria are not met.

**Product data:** No data available. **Substance data:** No data available.

Serious eye damage/irritation

**Assessment:** Based on available data, the classification criteria are not met.

According to OSHA Hazard Communication Standard, 29 CFR 1910.1200

Initial preparation date: 01.18.2018 Page 5 of 7

## **Polyethylene Glycol**

Product data: No data available.

Substance data: No data available.

Respiratory or skin sensitization

**Assessment:** Based on available data, the classification criteria are not met.

**Product data:** No data available. **Substance data:** No data available.

Carcinogenicity

Assessment: Based on available data, the classification criteria are not met.

Product data: No data available.

Substance data: No data available.

International Agency for Research on Cancer (IARC): None of the ingredients are listed.

**National Toxicology Program (NTP):** None of the ingredients are listed.

Germ cell mutagenicity

**Assessment:** Based on available data, the classification criteria are not met.

**Product data:** No data available. **Substance data:** No data available.

Reproductive toxicity

**Assessment:** Based on available data, the classification criteria are not met.

**Product data:** No data available. **Substance data:** No data available.

**Specific target organ toxicity (single exposure)** 

**Assessment:** Based on available data, the classification criteria are not met.

Product data: No data available.

Substance data: No data available.

Specific target organ toxicity (repeated exposure)

**Assessment:** Based on available data, the classification criteria are not met.

Product data: No data available.

Substance data: No data available.

Aspiration toxicity

Assessment: Based on available data, the classification criteria are not met.

**Product data:** No data available. **Substance data:** No data available.

Information on likely routes of exposure: No data available.

Symptoms related to the physical, chemical and toxicological characteristics: No data available.

Other information: No data available.

#### **SECTION 12: Ecological information**

#### Acute (short-term) toxicity

**Assessment:** Based on available data, the classification criteria are not met.

Product data: No data available.

**Substance data:** 

| Name                | Result                            |
|---------------------|-----------------------------------|
| Polyethylene Glycol | LC50 (4 days): 100 - 188.006 mg/L |
|                     | LC50 (24 h): 9.096 g/L            |

#### Chronic (long-term) toxicity

**Product data:** No data available. **Substance data:** No data available.

According to OSHA Hazard Communication Standard, 29 CFR 1910.1200

Initial preparation date: 01.18.2018 Page 6 of 7

# **Polyethylene Glycol**

## Persistence and degradability

**Product data:** No data available. **Substance data:** No data available.

**Bioaccumulative potential** 

**Product data:** No data available. **Substance data:** No data available.

Mobility in soil

Product data: No data available.

Substance data: No data available.

Other adverse effects: No data available.

# **SECTION 13: Disposal considerations**

# **Disposal methods:**

It is the responsibility of the waste generator to properly characterize all waste materials according to applicable regulatory entities (US 40CFR262.11)

# **SECTION 14: Transport information**

## United States Transportation of dangerous goods (49 CFR DOT)

| UN number                     | Not regulated |
