2 Hazard(s) identification	

## 2 Hazard(s) identification

### <sup>•</sup> Classification of the substance or mixture

The product is not classified as hazardous according to the Globally Harmonized System (GHS).

- <sup>·</sup> Label elements
- · GHS label elements Not regulated.
- · Hazard pictograms: None.
- · Signal word: None
- · Hazard statements: None.
- · Precautionary statements: None.

· Other hazards There are no other hazards not otherwise classified that have been identified.

Chemical characterization: Mixtures	
Components:	
7664-93-9 Sulfuric acid	0.10%
Met. Corr.1, H290; Skin Corr. 1A, H314; Eye Dam. 1, H318	
7783-85-9 Ferrous ammonium sulfate	3.92%
Skin Irrit. 2, H315; Eye Irrit. 2A, H319; STOT SE 3, H335	
7732-18-5 Water	95.98

according to OSHA HCS (29CFR 1910.1200) and WHMIS 2015 Regulations

Revision: May 03, 2019

	(Cont'd. of pa
· Additiona	information:
	d ingredient(s), the identity and/or exact percentage(s) are being withheld as a trade secret
For the wo	ding of the listed Hazard Statements, refer to section 16.
4 First-aid	measures
<sup>.</sup> Descripti	on of first aid measures
· After inha	ation: Supply fresh air; consult doctor in case of complaints.
• After skin	contact:
	rinse with water.
Seek med	al treatment in case of complaints.
· After eye	
	ntact lenses if worn.
	ed eye for several minutes under running water. If symptoms persist, consult a doctor.
· After swa	
	outh and then drink plenty of water.
	ce vomiting; immediately call for medical help.
	rtant symptoms and effects, both acute and delayed:
	t effect on eyes.
	d skin irritation.
	gastro-intestinal irritation if ingested.
	o relevant information available.
· Indication	of any immediate medical attention and special treatment needed:

# 5 Fire-fighting measures

#### Extinguishing media

• Suitable extinguishing agents:

The product is not flammable.

Use fire fighting measures that suit the environment.

- For safety reasons unsuitable extinguishing agents: None.
- · Special hazards arising from the substance or mixture

During heating or in case of fire poisonous gases are produced.

## <sup>•</sup> Advice for firefighters

#### • Protective equipment:

Wear self-contained respiratory protective device.

Wear fully protective suit.

# 6 Accidental release measures

# Personal precautions, protective equipment and emergency procedures

Ensure adequate ventilation.

For large spills, wear protective clothing.

# <sup>•</sup> Environmental precautions

Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

# 10 Stability and reactivity

· Reactivity: No relevant information available.

· Chemical stability: Stable under normal temperatures and pressures.

· Thermal decomposition / conditions to be avoided:

No decomposition if used and stored according to specifications.

## <sup>•</sup> Possibility of hazardous reactions

Toxic fumes may be released if heated above the decomposition point. Reacts with alkali (lyes).

- Conditions to avoid Excessive heat.
- Incompatible materials

Metals.

Alkalis.

#### · Hazardous decomposition products

Under fire conditions only:

Possible in traces.

## **11 Toxicological information**

<sup>•</sup> Information on toxicological effects

· Acute toxicity: Based on available data, the classification criteria are not met.

· LD/LC50 values that are relevant for classification: None.

- · Primary irritant effect:
- · On the skin: Based on available data, the classification criteria are not met.
- · On the eye: Based on available data, the classification criteria are not met.

• Sensitization: Based on available data, the classification criteria are not met.

### · IARC (International Agency for Research on Cancer):

None of the ingredients are listed.

## • NTP (National Toxicology Program):

7664-93-9 Sulfuric acid

### · OSHA-Ca (Occupational Safety & Health Administration):

None of the ingredients are listed.

Trade name: Ferrous Ammonium Sulfate, 0.1M (Cont'd. of page 5) · Probable route(s) of exposure: Ingestion. Inhalation. Eve contact. Skin contact. • Acute effects (acute toxicity, irritation and corrosivity): No relevant information available. · Repeated dose toxicity: No relevant information available. • Germ cell mutagenicity: Based on available data, the classification criteria are not met. · Carcinogenicity: Based on available data, the classification criteria are not met. • **Reproductive toxicity:** Based on available data, the classification criteria are not met. • STOT-single exposure: Based on available data, the classification criteria are not met. • STOT-repeated exposure: Based on available data, the classification criteria are not met. • Aspiration hazard: Based on available data, the classification criteria are not met. **12 Ecological information** 

<sup>·</sup> Toxicity

- · Aquatic toxicity No relevant information available.
- · Persistence and degradability No relevant information available.
- · Bioaccumulative potential: No relevant information available.
- · Mobility in soil: No relevant information available.
- <sup>•</sup> Additional ecological information

· General notes:

Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

Other adverse effects No relevant information available.

## 13 Disposal considerations

#### <sup>•</sup> Waste treatment methods

#### · Recommendation:

Dilute concentrate with water and neutralize afterwards with suitable material (lime or chalk). The formed salts are inert and pose little hazard.

The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage and disposal for hazardous and nonhazardous wastes.

#### <sup>·</sup> Uncleaned packagings

· Recommendation: Disposal must be made according to official regulations.

• Recommended cleansing agent: Water, if necessary with cleansing agents.

## **14 Transport information**

#### <sup>·</sup> UN-Number

· DOT, ADR/RID/ADN, IMDG, IATA

Not regulated.

<sup>·</sup> UN proper shipping name
